Correct and per our previous discussion we will have them out on Alameda and the entrance to the parking garage to assist with directions. 2 upstairs at the event, 2 in front of the building, 1 at the entrance of the business park and 1 out on Alameda in a vehicle. I will also be there.

Greetings Nhien,

Regarding security placement, we anticipated having one (1) rooftop, one (1) elevator assistance, one (1) main lobby, one (1) front building exterior and one (1) rear building exterior along Market Row.

Please let me know if you have any questions.

Hi Al,

Per my message, can you let me know where you plan to station the security guards? I also want to let you know that our sister organization, the Downtown Business Improvement District, will plan on having 6 security officers at the event.

Thank you,  
Nhien

Greetings Joella,

We want to alert you of a recent discovery we made following our very first hosted event here at the ROW DTLA Thursday evening and advise you of the need for more staffing for your upcoming event on August 3rd.

During Thursday's event, there were approximately 100+ guests. With the opening of the new campus parking structure, we staffed three (3) parking attendants and two (2) security guards to direct guests to and from the event. During that time, we realized that in order to accommodate the number of guests expected for the CCA event (approximately 350-425), having just the two security guards originally suggested for coverage is woefully insufficient to accommodate the number of expected guests. There definitely needs to be more people added to properly help with traffic control and assistance to and from the event.

To that end, we are requiring the following personnel be added for this event:

Five (5) Additional Security Guards (4 hrs) - \$700  
Five (5) Parking Attendants (4 hrs) - \$600

Should you have any questions, please do not hesitate to contact me.

Best regards,
